Call for application for research assistant

Kathmandu University is working in conjunction with National Youth Council in building National Incubation center at Aarubhari chaur, Namobuddha municipality that will house at least 15 different businesses at a time. In this regard National Youth Council 4 Innovation Master Plan Project (NYC4I_MP) is drafting a five year operational plan for the incubation center that will include

- a. Provide the detailed establishment and operational plan for future operation of National Youth And Incubation Center
- b. Design the organizational chart (staffing and job description)
- c. Develop the financing modality for future sustenance of the center
- d. Develop the Key performance indicators for future monitoring and evaluation
- e. Identify the areas of future work

For this purpose NYC4I_MP calls for application from students of KUSOM in the position of two Research Assistant for the period of 1 month. The detail terms of contract and remuneration will be availed after the selection process. Interested candidates are requested to apply at rupesh@kusom.edu.np by May 30,2021.

Asst. Prof Rupesh Krishna Shrestha

Principal Investigator
